JOB DESCRIPTION

Provide oral interpretive and/or written translation services for clients of King County Public Health Department. The Public Health Medical Interpreter works within a multidisciplinary team that serves non or limited English speaking clients in a variety of public health programs, including Primary Care clinical services, Immunizations, Maternity Support Services, WIC, Dental, Public Health Nurse Home Visit program and the Family Planning program. The primary purpose is to ensure access to these services by the non-English speaking populations by providing accurate and culturally-appropriate interpretation in the client's language at Public Health Centers, during field visit, and during community events.

ESSENTIAL ABILITIES FOR ALL KING COUNTY JOB CLASSIFICATIONS

1. Ability to demonstrate predictable, reliable, and timely attendance.
2. Ability to follow written and verbal directions and to complete assigned tasks on schedule.
3. Ability to read, write & communicate in English and understand basic math.
4. Ability to learn from directions, observations, and mistakes, and apply procedures using good judgment.
5. Ability to work independently or part of a team; ability to interact appropriately with others.
