Subject: Vote YES to Broaden the Skyway Subarea Plan and Fund Skyway Community Priorities
Date: Saturday, July 25, 2020 12:00:05 PM

To All King County Councilmembers:

Today I'm writing to ask you to support the Skyway community's demands for equity, housing affordability and stability, and economic opportunity in the Skyway Community. Specifically, I urge you to vote YES on the following:

*Broaden the Skyway subarea plan to include more than land use and zoning changes by voting IN FAVOR OF THE STRIKING AMENDMENT S4 TO 2020 KING COUNTY COMPREHENSIVE PLAN UPDATE [THE SECTIONS RELATED TO SKYWAY], in order to: 1) put aggressive anti-displacement strategies in place; and 2) build and execute a community-driven development plan by and for Black and POC who live here, not just for the land.

*Allocate funding to high priority community needs in the upcoming biennial budget, with significant input from the community to prioritize the list.

ADDITIONAL DEMANDS:

*Allocate marijuana tax dollars to invest in affordable housing and economic development in Skyway.

*\$10 million - invest in purchase of one Skyway property for affordable housing.

*\$55 million - invest in the development of a multi-service community/cultural center for programming and social services. Plus \$5 million additional support for operating costs for Black and POC-led community-based organizations in Skyway to manage the center.

Community has been advocating for this since 2008.

After decades of disinvestment in our community, we the people demand that you invest in Skyway today.

I see the 24/7 business done at the Pot Shop on Rainier and 116th St. from my house. I want to see the money from the pot shops invested back into Skyway. I've personally been impacted by the excess traffic, loud noise when they have parties in the parking lot and garbage from this business. I urge you to keep the profits in taxes in Skyway. I've seen too many neighborhoods gentrified forcing older people like myself from their homes. Don't let it happen here again! We need a community/cultural center for our youth. We have the largest population of Black-POC in S. Seattle. It's time to reinvest in this community and give it the attention it deserves. We've been advocating for this for over a decade. **THE TIME IS NOW!**

Thank you for considering this urgent concern and for your dedication to the people of King County.

Lyn McKay

Subject: Vote YES to Broaden the Skyway Subarea Plan and Fund Skyway Community Priorities
Date: Friday, July 24, 2020 10:25:24 AM

To All King County Council members:

I have lived here for 40 years. It's time to make Skyway the community it once was.

Today I'm writing to ask you to support the Skyway community's demands for equity, housing affordability and stability, and economic opportunity in the Skyway Community. Specifically, I urge you to vote YES on the following:

*Broaden the Skyway subarea plan to include more than land use and zoning changes by voting IN FAVOR OF THE STRIKING AMENDMENT S4 TO 2020 KING COUNTY COMPREHENSIVE PLAN UPDATE [THE SECTIONS RELATED TO SKYWAY], in order to: 1) put aggressive anti-displacement strategies in place; and 2) build and execute a community-driven development plan by and for Black and POC who live here, not just for the land.
