

# DON'T HANG ON TO MEDS

MY DAUGHTER IS SENSITIVE, INTELLIGENT, AND COMPASSIONATE. BUT WHEN SHE TURNED 13, SHE WAS OVERWHELMED WITH ANXIETY.

SHE STARTED TAKING PILLS FROM OUR MEDICINE CABINET TO NUMB HER PAIN. I NEVER THOUGHT THAT WOULD BE MY KID. I NEVER EVEN NOTICED THAT THE PILLS WERE MISSING!

NOW I KNOW TO STORE MEDICINE IN A LOCKED PLACE. MAYBE YOUR KID WON'T GET INTO THEM, BUT WHAT ABOUT THEIR FRIENDS? OR A HOUSE GUEST?

WHEN YOU STOP TAKING MEDICATION, GET ANY LEFTOVERS OUT OF THE HOUSE. MEDICINE DROP-BOXES ARE FREE, CONVENIENT, AND NEAR YOU.
