

DON'T HANG ON TO MEDS

I DON'T LIKE WASTING THINGS, SO I USED TO SAVE LEFTOVER PILLS. I THOUGHT I MIGHT BE ABLE TO USE THEM LATER.

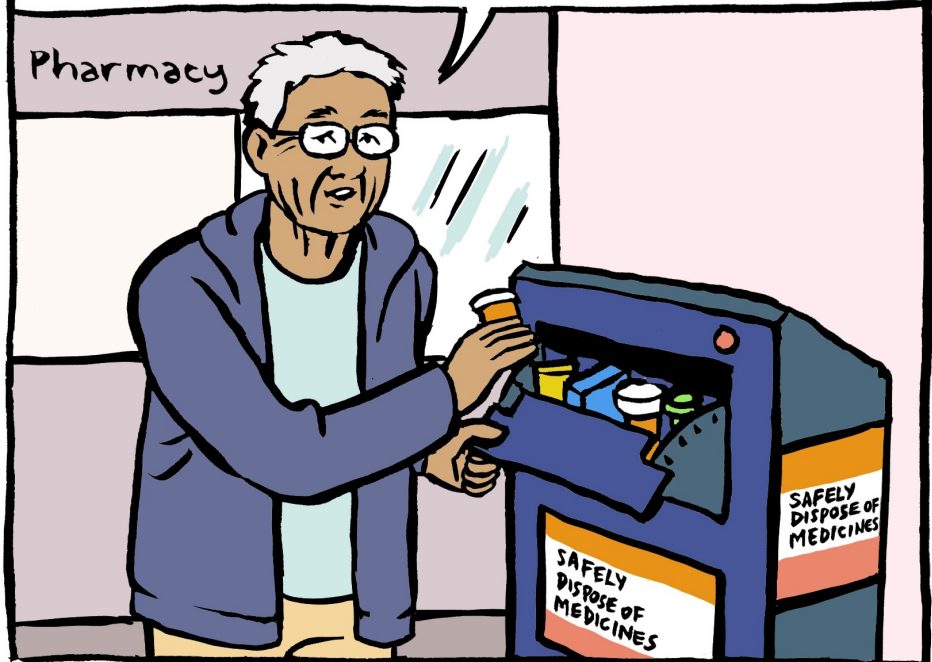

BUT IT TURNS OUT THAT IT'S RISKY TO KEEP UNUSED MEDICATION AROUND. MY GRANDKIDS OR PETS COULD GET INTO THEM. PILLS MIGHT LOOK LIKE CANDY.

WHAT ALSO WORRIES ME IS THAT MEDICINE COULD BE STOLEN BY A VISITOR AND I WOULD NEVER EVEN KNOW IT.

SO NOW I LOCK UP THE MEDICINE I USE AND I GET RID OF WHAT I'M NOT USING. IT'S FREE, AND I CAN JUST DROP IT OFF AT A NEARBY TAKE-BACK LOCATION.
