

**Elliot Bay Marina Meeting
March 21, 2013, 6:30-8:00 pm
Seattle Yacht Club Clubhouse
Elliott Bay Marina
2601 West Marina Place
Seattle, WA 98199**

Meeting Purpose

King County's project team will describe the design and construction of the underground CSO storage tank in the Smith Cove/Terminal 91 West Yard area and work on 32nd Avenue West to install a diversion structure and the gravity sewer pipeline. Project staff will describe construction activities and discuss potential temporary impacts. The project team will also explain how people can remain informed and involved throughout construction.

Agenda

- Introductions, overview of tonight's presentation
- Project need and status
- Storage Facility design and construction
- Conveyance system design and construction
- Next steps
- Discussion

A summary of today's meeting will be available on the project website at:
