*Fields, Parks, Community* Imagine having local *ball fields* instead of having to travel out of the area for practice and games. What would it be like to have a local *off-leash dog park* for your dog to socialize and get some exercise?

This bond measure gives us the opportunity to have all this, and so much more. The *Two* new park locations will serve our citizens for generations to come.

The advantages aren't limited to the much needed ball fields. A new *skate park* will serve our teens, the *sports court* can be used by both young and old to shoot hoops. The *picnic shelter* and *playground* will be perfect for family and friends to gather on a sunny afternoon. And, easy parking and access to the Cedar to Green River Trail gives people of all ages a place to exercise or take a stroll. Plus, our local businesses will benefit from tournaments being held locally in combination with Ravensdale and TSD. Unlike the other fields in our area, these will be city owned and controlled, so our community will always get top priority.

Please come out and vote to invest in our future. Vote "Yes" on Proposition 1.

### Explanatory statement

The City of Maple Valley owns and operates park and recreation facilities, including Summit Park and property located on Witte Road known as the "Lake Wilderness Elementary Site" that have various capital needs in order to provide the City and its citizens with adequate, proper and safe facilities. Following the goals and objectives outlined in the City's Parks, Recreation, Cultural and Human Services Plan, Proposition 1 authorizes the City to construct, improve, develop and equip facilities at the Lake Wilderness Elementary Site, including constructing multi-purpose lighted synthetic turf fields and restrooms, and at Summit Park including constructing multi-purpose lighted synthetic turf fields and restrooms, an off-leash dog park, playgrounds (and equipment), a skate park, and trails. Proposition 1 would authorize the issuance of \$14,700,000 of general obligation bonds to be repaid within 20 years of issuance and the levy of annual property taxes to repay the bonds (estimated levy rate is \$0.35/\$1,000 of assessed value (e.g., \$111.65 per year, or \$9.30 per month, on a \$319,000 home)).
