

King County

Trusted Partner Network

A step toward equity in disaster response

Interested in helping your community during emergencies?

What is the Trusted Partner Network?

The Trusted Partner Network (TPN) is volunteer program through the King County Office of Emergency Management. The program partners with trusted leaders in every language or cultural group in the region to share critical lifesaving emergency alerts.

Are you a Trusted Partner?

- ✦ Bi-lingual recommended (English-read and speak). ✦ Connected and trusted within community. ✦
- ✦ Able to get information to people in your language group or other group. ✦ Able to use a Smartphone.
- ✦ Willing to partner with government. ✦ Passionate about community safety. ✦

How do Trusted Partners help?

TPN volunteers will receive emergency alerts and share information about natural and man-made disasters or other emergencies in a language and format that is relevant to their community.

How do you get involved?

Fill out a TPN Enrollment Form or register for an orientation at www.kingcounty.gov/TPN. For further questions, contact Susanna Trimarco - King County Emergency Management, at strimarco@kingcounty.gov.

Thank you for taking steps to protect yourself and your community!

DATA PRIVACY: Any contact information you provide, such as personal emails, cell phone numbers, etc. is not subject to release. Responding to an official TPN alert remains a private communication system: receiving alerts and/or responding to them will not compromise the privacy of your contact information or address.
