

# IN-HOME COVID-19 VACCINATION & BOOSTERS

Do you or someone you care for have difficulty leaving home? Schedule a **FREE** in-home COVID-19 vaccination!

## Who is eligible for in-home vaccination?

### Everyone 6 months of age and older who:

- Are eligible for a primary series or booster dose **and**
- Have an acute or chronic illness, limited mobility, injury, developmental disability, or mental health condition that makes it difficult to leave the home.

**All primary and booster doses are available FREE for in-home vaccination regardless of insurance, citizenship, or immigration status.**

## How can I request an in-home vaccination appointment?

- Call **206-848-0243**, weekdays, from 8:30 am to 5:30 pm (say your preferred language when connected).
- If you have a disability and need accommodation, email **publichealthaccommodations@kingcounty.gov** or call **206-848-0243** (tell us what you need when connected).
