In the general adult population, **uninsured at some point** last year increases for some groups

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014. This question was not asked before 2013.

In the general adult population, **long-term uninsured** falls for some groups

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014. This question was not asked before 2013.

In the general adult population, **unmet medical need due to cost** falls in 2014 for some groups

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, **delaying medical care** due to reasons other than cost falls in 2014

Long wait times

Long wait times, office closed, no transportation, other

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014. This question was not asked before 2013.

In the general adult population, presence of **medical debt** falls for some groups

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014. This question was not asked before 2013.

In the general adult population, lack of a **routine checkup** in the last year falls in 2014 for some groups

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, lack of a **dental visit** in the last year falls in 2014 for some groups

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, lack of a **flu vaccination** falls faster in 2014 for some groups

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, percent **not satisfied with care** received falls

Not at all satisfied

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native

NHPI: Native Hawaiian/Pacific Islander

NH: Non-Hispanic

FPL: Federal Poverty Level

N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014. This question was not asked before 2013.

In the general adult population, lack of mammography in women 50+ falls in 2014

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, lack of colorectal cancer screening is unchanged

Annual change before ACA: 2000-2013

Change between 2013 & 2014 after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, **fair or poor self-reported health status** is unchanged

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, **serious psychological distress** falls in 2014 for some groups

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, **excessive alcohol consumption** falls in 2014 for some groups

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, **frequent mental distress** falls in 2014 for some groups

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA

Legend

- Significantly better
- No significant change
- Significantly worse

AIAN: American Indian/Alaska Native
 NHPI: Native Hawaiian/Pacific Islander
 NH: Non-Hispanic
 FPL: Federal Poverty Level
 N/A: Too few cases to protect confidentiality & report reliable rates.

Data Source: Behavioral Risk Factor Surveillance System, 2000-2014

In the general adult population, limitations due to **poor physical/mental health** falls in 2014 for some

Annual change
before ACA:
2000-2013

Change between
2013 & 2014
after ACA
