Proposal Name

SPARO Kelp and Shellfish Farm

Proposal Description

The proposed project is an integrated and regenerative kelp and shellfish farm in the Puget Sound at the SW corner of Vashon Island, WA in Colvos Passage. The mariculture farm will grow sugar kelp, clams, mussels, oysters, and possible scallops at one location. All these species are either native or naturalized to the proposed area.

Related Record**Location**

Longitude: -122.526706 Latitude: 47.337833

Parcel: 022102HYDR

Section/Township/Range: 2, 21N, 2E

Other identifying information: The site measures approximately 1,200 feet by 350 feet, for a total of 9.6 acres. It is 300 feet offshore of the mean low tide. The site will be entirely in open water between depth of 30 feet and 80 feet and will not access the shoreline or tidal lands.
