

Memorandum

TO: King County RAH Task Force

FROM: Project staff team

DATE: October 24, 2017

SUBJECT: Revisions to work plan

County staff and the consultants have worked hard on the Work Plan since the September Task Force meeting to make substantive changes and stylistic improvements. The Work Plan presented for adoption on October 31 reflects the following substantive changes:

- Added economic drivers of housing challenges and housing prices to the list of topics for understanding
- Updated Topical Work Plan to reflect revised plan for upcoming meeting topics (this portion of the Work Plan will continue to evolve)
- Adjusted description of Standing Advisory Panel's meeting structure to clarify role
