

Thank you for attending the Regional Affordable Housing Task Force community meetings to review the draft Action Plan. During the small group exercise, please introduce yourselves to one another. Select a note taker to record the table’s discussion and someone to report the key comments and suggestions to the rest of the group. You have 40 minutes to review the draft Action Plan and discuss the following questions:

Question 1: Why are you here? What’s the most critical housing issue facing you or your community today?

Question 2: What goals, strategies, or actions stand out as being the most important or impactful for you or your community? You’re welcome to share any examples of these strategies working well in your community.

Question 3: Over the next month or two, the Task Force will complete a recommended governance strategy to ensure implementation of the Plan. What do you think could be the biggest challenge to implementing this Plan? What can be done to overcome that challenge?

Question 4: Now that you had a chance to review the draft Action Plan, do you or your community have any housing needs that you don’t believe are addressed by this Plan? If so, what are they?

Thanks for participating! If you have any additional feedback to share, please write it on the back of this page or submit it on our website: www.kingcounty.gov/affordablehousing
