

COVID-19 is Still Here

Don't wait. Protect yourself. Get the **NEW COVID-19 vaccine** at **NO COST** to you!

The new COVID-19 vaccine is available at no cost through the **Bridge Access Program** for all eligible adults who are uninsured or have a health insurance plan that doesn't cover it.

Visit [vaccines.gov](https://www.vaccines.gov) to find appointments near you. Search for locations that offer "Bridge Access Program" vaccines, including many CVS and Walgreens pharmacies.
