		property is required to be reverted back to rural at the next midpoint or eight-year KCCP update.	
<p><b>Transfer of Development Rights (TDR) Program</b></p> <p>Changes in KCCP Chapter 3, K.C.C. Title 21A</p>	Allows urban sending sites where a Conservation Futures Tax award has been granted, and it's within the opportunity areas identified in Conservation Futures Tax program requirements.	<p>Countywide, allows urban sending sites that are open space and where a Conservation Futures Tax (CFT) award has been granted.</p> <p>In urban unincorporated King County, allows double the base density for Transfer of Development Rights projects that provide rental or owner-occupied housing at or below 40% area median income for King County in the R-4 through R-48 zones. For such projects, allows sale of Transfer of Development Rights when used for affordable housing above 150% of the base density at 1% of the fair market value. Under current regulations, 200% of the base density can only be achieved if 100% of units are affordable. This change would allow 200% of base density if 25% of the units were affordable and developed using Transfer of Development Rights.</p>	<p>Substantive changes in S1 compared to the Executive's proposal:</p> <ul style="list-style-type: none"> <li>• Allows urban sending sites for any CFT awarded site.</li> <li>• Allows for use of TDRs for affordable housing.</li> </ul>
<p><b>Non-Resource Industrial Uses in the Rural Area</b></p> <p>Changes in KCCP Chapter 3</p>	Modifies policies so that new Industrial zoned property would not be permitted in the rural area.	Modifies policies so that new Industrial zoned property would not be permitted in the rural area.	No changes.
<p><b>Agricultural Production Districts (APDs) and Public Infrastructure</b></p>	<p>Modifies policies so that public facilities and infrastructure may intrude into an APD if they meet regional needs.</p> <p>Mitigation for intrusion into the APD for public facilities and infrastructure is required, within the</p>	<p>Modifies policies so that regional public infrastructure may intrude into an APD when necessary and minimizes disruptions to agricultural activities.</p> <p>Mitigation for intrusion into the APD for public facilities and infrastructure is required within the same</p>	Clarifying changes to when public infrastructure may intrude into an APD.

## 2020 KCCP Update – Striking Amendment S1 to Executive's Proposed Language

Updated: April 29, 2020

Topic	Executive's Proposed Language	Striker S1 Language	Comment on Changes in S1 from Executive Proposed
Changes in KCCP Chapter 3	same APD, or in another APD at a 1.5 to 1 ratio, or in-lieu fee at a 2 to 1 ratio.	APD at a 1 to 1 ratio, in another APD at a 1.5 to 1 ratio, or in-lieu fee at a 2 to 1 ratio.	
<b>Regional Affordable Housing Task Force</b>  Changes in KCCP Chapter 4	Adds lead in text regarding the work of the Regional Affordable Housing Task Force.	Adds lead-in text regarding the work of the Regional Affordable Housing Task Force, and includes reference to Council adoption of the Task Force's final report through motion.  Adds language on the Affordable Housing Committee of the GMPC and their future work with the Task Force's final report.	Includes additional context and next steps.
<b>Vaping Products</b>  Changes in KCCP Chapter 2 and 7	Modifies polices to require that common areas in multi-family developments be vapor free, in addition to tobacco free; and adds a new policy regarding tobacco and vapor use in County parks.	Modifies polices to require that common areas in multi-family developments be vapor free, in addition to tobacco free; and adds a new policy regarding tobacco and vapor use in County parks.	Clarifying changes to create consistency.
<b>Human Services Role</b>  Changes in KCCP Chapter 4	Modifies policy to reflect adoption of Veterans, Seniors and Human Services Levy.	Modifies policy to reflect adoption of Veterans, Seniors and Human Services Levy.	Technical change.
<b>Cottage Housing</b>  Changes in K.C.C. Title 21A	Removes maximum size limit of 1 acre  Removes maximum of 16 cottage housing units  Increases total floor area allowance to allow an additional 250 square feet for a garage.  Requires each dwelling unit abutting common open space to have an entry or porch oriented to the common open space.  Requires each dwelling unit proximal to a public right-of-way to have an inviting façade oriented towards the right-of-way.	Removes maximum size limit of 1 acre  Removes maximum of 16 cottage housing units per development  Increases total floor area allowance to allow an additional 250 square feet for a garage.  Requires each dwelling unit abutting common open space to have an entry or porch oriented to the common open space.  Requires each dwelling unit within 40 feet of a public right-of-way to have a porch or entrance or bay	Substantive changes in S1 compared to the Executive's proposal: <ul style="list-style-type: none"> <li>• Clarifying changes.</li> <li>• Modify height limit for cottage housing units to accommodate additional square footage allowance.</li> <li>• Modify parking requirement to create consistency</li> <li>• Provide specificity to façade requirements.</li> </ul>

## 2020 KCCP Update – Striking Amendment S1 to Executive's Proposed Language

Updated: April 29, 2020

Topic	Executive's Proposed Language	Striker S1 Language	Comment on Changes in S1 from Executive Proposed
	<p>Establishes minimum parking requirements for cottage housing:                      Units less than 750sf: 1 per unit                      Units 750sf to less than 1,000sf: 1.5 per nit                      Units 1000sf and up: 2 per unit</p>	<p>window in the façade oriented to the public right-of-way.</p> <p>Establishes minimum parking requirements for cottage housing:                      Studios: 1 per unit                      1 bedrooms: 1.5 per unit                      2+ bedrooms: 2 per unit</p> <p>Modifies allowed heights from 18 to 25 feet for the base height and from 25 to 30 feet for structures with a pitched roof, to accommodate the additional square footage allowance.</p>	
<p><b>Accessory Dwelling Units (ADUs)</b></p> <p>Changes in K.C.C. Title 21A</p>	<p>Reduces minimum lot size in urban areas from 5,000 to 3,600 square feet. Adds a minimum lot size in Rural Towns of 3,600 square feet.</p> <p>Limits the height for ADUs to the base height for the zone.</p>	<p>Reduces minimum lot area in urban or Rural Towns from 5,000 to 3,200 square feet.</p> <p>Standalone ADUs and attached ADUs not contained wholly within an existing unit must meet base height;ADUs wholly within an existing dwelling unit do not have to be under the base height.</p> <p>Excludes basement from maximum square footage (existing for urban area/rural town is 1,000 square feet of heated floor area, striker also allows 1,000 square feet of unheated area).</p> <p>Removes off-street parking requirement.</p> <p>Expands owner-occupied requirement to include immediate family.</p> <p>Removes provision regarding subdivision of lots with ADUs in the Rural Area zone.</p>	<p>Substantive changes in S1 compared to the Executive's proposal:</p> <ul style="list-style-type: none"> <li>• Changes to ADUs in urban areas and rural towns to be consistent with other jurisdictions: minimum lot area, square footage allowance, parking requirements, owner-occupancy requirements.</li> <li>• Clarifies height requirements.</li> <li>• Removes outdated code language on subdivision of lots with ADUs.</li> </ul>
