### Making the switch to great care is easy

Are you new to Kaiser Permanente? Thinking about joining? It's simple to get started with your new plan – and we're here to walk you through it. Get started with Kaiser Permanente at **kp.org/easyswitch**.

1. These features are available when you get care from Kaiser Permanente facilities. 2. When appropriate and available. 3. Online features change when children reach age 13. Teens are entitled to additional privacy protection under state laws. When your child turns 13 years old, you will still be able to manage care for your teen, with modified access to certain features. 4. Not intended to replace treatment or advice. myStrength® is a wholly owned subsidiary of Livongo Health, Inc. The services described above are not covered under your health plan benefits and are not subject to the terms set forth in your Evidence of Coverage or other plan documents. These services may be discontinued at any time without notice. 5. Please note that the ChooseHealthy program is not insurance. You should check any insurance benefits you have before using this discount program, as those benefits may result in lower costs to you than using this discount program. The ChooseHealthy program provides for discounts from participating specialty health care providers. You are obligated to pay for all services from those providers, but will receive a discount from those participating providers for services included in the program. The ChooseHealthy program also provides access to the Active&Fit Direct program. The ChooseHealthy program has no liability for providing or guaranteeing services and assumes no liability for the quality of services rendered. Discounts and services available through the ChooseHealthy program are subject to change; please consult the website for current availability. The ChooseHealthy Active&Fit Direct program is currently not available to Kaiser Foundation Health Plan of Washington Medicare Advantage members. The programs described above are provided by ChooseHealthy, Inc. and American Specialty Health Fitness, Inc., subsidiaries of American Specialty Health Incorporated (ASH).
