

# Getting vaccinated with Kaiser Permanente

## Steps for getting your COVID-19 vaccine

Washington state authorities have announced that everyone 16 and older will be eligible to receive the COVID-19 vaccine starting April 15, 2021. Whether you're a Kaiser Permanente member or not, follow these steps to get your vaccine with us once you become eligible. If you are a current or former member, you'll need your medical record number (member ID).

1a

**Current or former Kaiser Permanente members:**

Sign in at [kp.org/wa](https://kp.org/wa). No account? Set one up at [kp.org/wa/register](https://kp.org/wa/register) using your medical record number (member ID).

While not required, filling in the last 4 digits of your Social Security number when you register will let us verify your account and give you access right away.

If you don't have your member ID or need help setting up your account, call Member Services at **1-888-901-4636 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.

**Non-Kaiser Permanente members:**

Go to [kp.org/covidvaccine](https://kp.org/covidvaccine) and select "Washington." Click on the button under "I'm not a Kaiser Permanente member," then follow the instructions to get set up in the Kaiser Permanente system.

Within a few days, we'll send you an email with your new medical record number. Using your medical record number in the "Member ID" field, create an account at [kp.org/wa/register](https://kp.org/wa/register).\*

While not required, filling in the last 4 digits of your Social Security number when you register will let us verify your account and give you access right away.

### No internet access?

If you do not have internet access, call **1-800-352-3610** to schedule your first vaccine appointment.

### Help keep everyone safe

Continue to wash your hands, wear a mask, limit gatherings, and stay at least 6 feet away from people not in your household.
