DOT NUMBER 859.683-014

DEPARTMENT Transportation

DIVISION Power and Facilities

OF POSITIONS IN THE DEPARTMENT WITH THIS JOB TITLE 7

CONTACT'S NAME & TITLE Erik Martinson, Facilities Chief

CONTACT'S PHONE 206-684-1832

ADDRESS OF WORKSITE

1602 Northlake Place North
Seattle, WA 98103

VRC NAME Kyle Pletz

DATE COMPLETED 7/29/04

VRC NAME Jeff Casem

DATE REVISED 6/3/09

WORK HOURS

8 or 10 hour shifts day, swing or graveyard shifts.

OVERTIME (Note: Overtime requirements may change at the employer's discretion)
Optional in accordance with business demand. Overtime may vary depending on the season.

JOB DESCRIPTION

Operates motorized equipment to maintain King County facilities and structures. The employees in this position pick their assignments in accordance with seniority. This particular employee primarily drives a compactor and collects garbage, but could be required to drive other equipment based upon business demand. Job analyses for other equipment will be completed upon request.

ESSENTIAL ABILITIES FOR ALL KING COUNTY JOB CLASSIFICATIONS

1. Ability to demonstrate predictable, reliable, and timely attendance.
2. Ability to follow written and verbal directions and to complete assigned tasks on schedule.
3. Ability to read, write & communicate in English and understand basic math.
4. Ability to learn from directions, observations, and mistakes, and apply procedures using good judgment.
5. Ability to work independently or part of a team; ability to interact appropriately with others.
6. Ability to work with supervision, receiving instructions/feedback, coaching/counseling and/or action/discipline.

JOB SPECIFIC REQUIREMENTS

Knowledge of driving laws, traffic control methods, automotive systems, Seattle/King County roadways and surrounding street system, operational manuals, road conditions and routes. Must possess skills in communications (oral and written), customer service, defensive driving and skill in heavy equipment operations as well as skill and mechanical aptitude in use and care of tools and equipment. Must have familiarity with and skill in using small hand tools as well as skill in operating equipment in high-density traffic under adverse weather conditions. Must have a Washington State Driver's License, Commercial Driver's License class B with air-brake endorsement and a Washington State Department of Transportation medical card. The employee must also possess a valid flagging certification.

ESSENTIAL FUNCTIONS

1. Operates motorized equipment such as backhoe, loader, evactor, compactor, sanding truck, forklift and sweeper. Operate equipment to grade, sweep, remove, dig, ditch, build, cut, load, clean or lift.
2. Responds to on-site accidents, emergencies and hazardous spills to assess immediate concerns and respond to them with equipment.
3. Performs visual safety inspection of vehicle, checks and corrects fluid levels and tire pressure, refuels vehicles, maintains vehicle cleanliness and performs pre-trip inspections.
4. Identifies potentially hazardous or unacceptable materials at job site and coordinates proper disposal.
5. Informs, directs, monitors and control public customers and vendors.

PERSONAL PROTECTIVE EQUIPMENT USED

Ear protection, eye protection, respirator, vest, boots and gloves.

OTHER TOOLS & EQUIPMENT USED

Two-way radio/cellular telephone, telephone, various hand tools, grease gun, cleaning equipment, shovel, County vehicle (pickup truck), backhoe, loader, evactor, compactor, forklift, and sweeper.

PHYSICAL DEMANDS AS JOB IS TYPICALLY PERFORMED

Continuously = occurs 66-100% of the time

Frequently = occurs 33-66% of the time

Occasionally = occurs 1-33% of the time

Rarely = may occur less than 1% of the time

Never = does not ever occur (such demands are not listed)

Highly Repetitive = Repeating the same motion every few seconds with little or no variation for more than two hours total per day.

This job is classified as

Heavy—exerting 50-100 pounds of force occasionally, and/or 25-50 pounds of force frequently, and/or 10-20 pounds of force constantly to move objects.

Standing

Health Care Provider initials if restricted _____

Frequently on metal, dirt, gravel, cement, mud and uneven surfaces for up to 15 minutes at a time for up to 6 hours total in a work shift. Most commonly occurs while conversing with co-workers and supervisors as well as when performing vehicle maintenance and fueling equipment.
