The above job analysis represents the requirements of a specific job based on personal observations, discussions with employer representatives, and/or workers. On occasion, practicality and feasibility prevent the direct observation and/or gathering of objective quantifiable data. For this reason, a "best estimate" may have been used when reporting physical demand frequencies.

POSSIBLE JOB MODIFICATIONS/COMMENTS: Use of a Evoluent Vertical Mouse to facilitate a more ergonomic posture while using a mouse. Adjustment of chair arm rests to remove static loading on shoulders and neck.
