SHORT FORM FOR PRE-EMPLOYMENT PHYSICALS

PATIENT NAME: _____

JOB TITLE: Advanced Registered Nurse Practitioner

DEPARTMENT: Public Health, TB Clinic

WORK SCHEDULE: 40/week

JOB DESCRIPTION: Integrates knowledge and data from many scientific frameworks to provide holistic primary health care to individuals. These health care components include assessment, diagnosis, prescription of medications and other treatments, client education and referrals for other services.

WORK ENVIRONMENT: Clinic

ESSENTIAL FUNCTIONS: Obtain health history through client/family interview and chart review. Assess presenting illness and risk factors, family health history, review of systems, psychosocial/developmental histories and cultural information. Perform appropriate physical examination and assessment. Order or perform appropriate diagnostic and screening tests and collect additional data for evaluation of illness/wellness. Develop differential diagnosis and risk identification through assessment and interpretation of data. Provide managed client care by developing and implementing individual treatment plan: prescribe/dispense medication; provide appropriate referrals and ensure education, counseling and case management follow-up with other professional and community agencies. Prepare documentation for medical records. Ensure quality of professional practice by practicing within professional, legal and ethical standards and by participating in and providing continuing education, peer review, chart review, development of practice guidelines and community work. Provide leadership and collaboration within health care team to ensure quality patient care. Provide patient care consultation to nursing staff on a 24-hour basis when on call. Provide training, orientation and education to staff, clients and students. Participate in quality assurance activities to demonstrate compliance with standards, laws, regulations, policies and procedures. Act as consultant to health care team, other staff and the community including advocating for patients.
