

MLK Medal of Distinguished Service

PRESENTED TO

Bettie Williams-Watson

The ideals of the Rev. Dr. Martin Luther King, Jr., the foremost civil and human rights leader in the United States, are held high at King County. King County was redesignated in his honor and the county logo bears his likeness. Dr. King's vision of equity and social justice is infused throughout the programs and services of county government.

Bettie Williams-Watson is an individual who has responded to Dr. King's question, "What are you doing for others?" by working in the community in creating ground breaking, culturally relevant programs for both those fleeing domestic and sexual violence and those who have been abusers.

The Metropolitan King County Council today presents Bettie Williams-Watson with the MLK Medal of Distinguished Service for her outstanding community service and honors her as an example to all in our county, state, and nation.

Dated this thirtieth day of April, 2018.
