Point-of-Sale Credit Card Transactions, Coming Soon

The Department of Judicial Administration/King County Clerk's Office is currently working with a vendor to establish the ability to accept electronic payments (with credit and debit cards) at our customer counters. Selecting this payment option will result in an additional processing fee being charged to customers, to cover the costs of settling these transactions. Payment cards accepted will include American Express, Discover, MasterCard and Visa. It is anticipated that this expanded payment type offering will be available early 2015.
