4. **BRIEFING:** Briefs together with highlighted copies of cited authorities should be provided to me no later than one (1) working day prior to the hearing.

hearing unless specifically requested to do so.

5. **LENGTH OF HEARING:** Unless informed otherwise, I anticipate approximately four (4) hours as the maximum time necessary for the hearing on this matter. Any help counsel can provide in preparing and presenting evidence by stipulation will aid in saving hearing time, attorney's fees and reducing the time required for decision.

- 6. **TECHNOLOGY:** Please make arrangements in advance for monitors etc.
- 7. **SETTLEMENT:** Please advise my office **and** the Arbitration Department if a settlement is reached prior to the scheduled hearing date, and confirm that settlement in accordance with LCAR 4.4.
- 8. **ATTORNEY FEES:** The arbitrator has the power to award attorney fees by contract or by law, (SCCAR 6.4). If the facts of your case provide the right to an award of attorney fees, please bring documentary support, including your affidavit and time records, to the hearing and present it with your final argument. The attorney fee award will be made as part of my decision.

You may also request that I delay filing an award so that I can consider a motion for attorney fees that you submit to me after the hearing. I will then be able to include any award of fees in the final arbitration award. I will request an extension from the Arbitration Department for filing the award if the award will be filed after the 14-day deadline (LCAR 6.2(a)).

If you intend to rely on RCW 4.84.280, offers of settlement in determining attorney fees, the deadlines and procedures outlined in SCCAR 6.4 will still apply. Please inform me by the end of the arbitration hearing of the possibility of seeking fees pursuant to this statute, and:

- 1) I will announce, but not file, my award in a letter to counsel within 3 days of the arbitration hearing.
- 2) You should then promptly inform me that you are seeking attorney fees pursuant to 4.84.480.
- 3) I will then schedule a hearing by conference call for the 4.84.280 argument.
- 4) You must deliver all written and documentary support of your right to an award of fees to my office <u>before 5 p.m. on the day before</u> the 4.84.280 hearing.
- 5) I will include in the arbitration award any award of attorney fees pursuant to 4.84.280 and file the award <u>within 14 days</u> of the arbitration hearing.
- 9. **POST TRIAL MOTIONS:** The arbitrator is restricted under SCCAR 6.2 to issues related to attorney fees and correction of obvious errors. The Arbitrator has no authority to reconsider the award.
