

1 from date of admission, or until such earlier time as the defendant becomes competent to stand  
2 trial.

3 2. Pursuant to CrR 3.3, the time for trial in the above-entitled matter is tolled until such  
4 time as the defendant is found competent to stand trial.

5 3. If the defendant does not object, psychotropic medication may be administered to the  
6 defendant as deemed clinically appropriate by the staff of Western State Hospital/a facility  
7 designated by DSHS.

8 [ ] Clinically appropriate psychotropic medications may also be administered against  
9 the defendant's will if necessary.

10 4. The King County Department of Adult and Juvenile Detention shall transport the  
11 defendant to Western State Hospital/a facility designated by DSHS and shall return him/her to  
12 the King County Jail at such time as he becomes competent and is discharged or the restoration  
13 period has elapsed. Any facility providing inpatient services related to competency shall  
14 discharge the defendant as soon as the facility determines that the defendant is competent to  
15 stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation  
16 report.

17 5. If the defendant is returned to the King County Jail for any reason prior to the end of  
18 the restoration period, Western State Hospital/DSHS shall notify the chief criminal judge and  
19 counsel for both parties within 24 hours of the defendant's return. If the defendant is returned to  
20 the King County Jail, the Jail must continue the medication regimen prescribed by the facility,  
21 when clinically appropriate, unless the defendant refuses to cooperate with medication and there  
22 is no forced medication order in effect.

1           6. When the defendant regains competency, or at the end of the restoration period, a  
2 medical report shall be provided to the chief criminal judge of the court in which the criminal  
3 proceeding is pending, counsel for both parties, and the King County Jail Psychiatric Unit  
4 professional staff, setting forth the findings of the staff, detailing the defendant's present mental  
5 condition, and indicating whether the defendant is competent to enter a plea to the charges and to  
6 stand trial and whether psychotropic medications will be required to assist the defendant to  
7 maintain competency.

8           7. If the report finds that the defendant remains incompetent, the report shall provide an  
9 opinion as to whether the defendant should be evaluated by a County Designated Mental Health  
10 Professional under RCW 71.05.

11           8. If the defendant is incompetent solely due to a developmental disability or the evaluator  
12 concludes that the defendant is not likely to regain competency, the report must include an  
13 assessment of the defendant's future dangerousness which is evidence-based regarding predictive  
14 validity.

15           9. At the end of the restoration period, if the defendant remains incompetent:

16            the defendant shall be returned to the custody of the King County Jail to be held  
17 pending further proceedings against the defendant.

18            all parties agree  to waive the presence of the defendant or  to the defendant's

for restoration efforts, and the hearing is held prior to the expiration of the authorized  
commitment period.

21           This matter is next scheduled for court on the \_\_\_\_\_ day of \_\_\_\_\_.
