

Table 1 focuses on the values that MIDD Advisory Committee members have articulated for *working with each other* on the MIDD Advisory Committee and for *how the MIDD Advisory Committee will accomplish its goals*. The previous MIDD Values and Guiding Principles (August 2015) were developed to guide the MIDD renewal work.

Table 2 focuses on the guiding principles that the MIDD Advisory Committee would like the county to utilize when developing and implementing MIDD activities.

Table 1. Values of the MIDD Advisory Committee

Value	Goal	SAMPLE Advisory Committee Actions/Activities
<ul style="list-style-type: none"> • Cultural humility • Focus on equity and social justice and systemic racism 	A. Deepen understanding of equity and inequity	<ol style="list-style-type: none"> 1. Hold state of behavioral health equity and disparity quarterly briefing at MIDD AC meetings; have member led discussions and readings at MIDD AC meetings 2. Review and assess equity opportunities in MIDD programs, services, and operations; make recommendations to improve equity and reduce inequities throughout MIDD programs, services, and operations 3. Hold formal trainings and member led discussions and readings at MIDD AC meetings
<ul style="list-style-type: none"> • Transparency • Partnership and collaboration between government and providers; between criminal justice and human services 	B. Increase trust and collaboration among members	<ol style="list-style-type: none"> 1. Increase member-to-member collaboration/discussion opportunities 2. Regular member updates/presentations on their areas of expertise and knowledge 3. Identify opportunities to collaborate on system improvements
<ul style="list-style-type: none"> • Involvement of communities and consumers 	C. Bring forward voices and experiences of consumers, youth, disenfranchised populations, people with lived experience, and those in recovery to MIDD Advisory Committee	<ol style="list-style-type: none"> 1. Develop standing consumer/peer advisory panel 2. Add ex-officio members to the Advisory Committee 3. Add regular consumer/peer led briefings to agenda

Table 2. MIDD Advisory Committee Guiding Principles to Guide King County’s MIDD Development and Implementation

MIDD Advisory Guiding Principles for Developing and Implementing MIDD Activities
<ul style="list-style-type: none">• Responsive to significant environmental changes in federal/state policy and funding; filling gaps• Driven by outcomes; informed by data• Based in promising or best practices; evidence-based when possible• Supports King County’s vision for health care; reflects the triple aim: improved patient care experience, improved population health, and reduced cost of health care• More upstream / prevention services• Integrated, transformational services / strategies designed to serve our most disenfranchised populations• Partnering between CJ / human services with a shared goal to divert and prevent justice system involvement• Community-based organizations on equal status with County for compensation• Open to new ways of achieving results• Build on strengths of the system• Self-sustaining; partnerships that leverage sustainability when possible• Recovery focused• Community driven• Client Centered• Common goal (articulated in the MIDD Framework as “result of MIDD”)
