

Notes for King County Family Youth System Partner Round Table (FYSPRT) Meeting on 7/28/20.
This meeting occurred virtually.

*Two for the presenters did not attend unexpectedly

- Health Care Authority (HCA) / Wraparound with Intensive Services (WISe) data – presented by Paul Davis
 - Demographic and geographic data
 - Paul will come back next quarter to give an update “Wise”

Celeste Taylor (Valley Cities) asked about the disparity between Columbia and King County in terms of overall enrollment. Paul explained that Columbia County was one of the first counties to implement WISe, and King County is unique

- Child and Adolescent Needs and Strengths (CANS) Screening data
- Cross system involvement data

Of note, Substance Usage Disorders (SUD) data. Around 1%!

- Treatment needs assessment

The myth of youth/families needing to transition at a certain time

- WISe in King County: We are doing well with enrollment currently, but we need to increase our service intensity. Data looks good in this time of COVID-19 though
- Juvenile Justice/Rehabilitation
 - Free form discussion about current events and efforts centered around juvenile justice and rehabilitation. Ahney King shared several projects/ways to get involved
- LaTonya shared updated from Wise Collaborative:
 - New numbers for King County Wise decreased to 419
 - Agency are seeing clients, service hours are better.
- Youth MOVE update
- King County Recovery Month Poster and Poetry Contest
- Agenda setting for next month
- Next meeting Aug 22,2020 5:30-7:30pm
