SECTION 10
DISPUTE RESOLUTION

United and CCO shall work together in good faith to resolve any and all disputes (each, a "Dispute" and collectively, the "Disputes") that arise between them relating to this Agreement. If the parties are unable to resolve any such Dispute within thirty (30) days following the date one party sent written notice of the Dispute to the other party and if either party wishes to further pursue resolution of the Dispute, that party shall refer the Dispute to mediation before resorting to litigation or any other dispute resolution procedure hereunder. Such mediation must be initiated within sixty (60) days of the date one party first gave written notice of the Dispute to the other party. An independent and impartial mediator jointly selected by the parties who is qualified by education, training, and experience to hear matters in the nature of the Dispute shall conduct the mediation under the then current Commercial Mediation Rules of the American Arbitration Association unless the mediator otherwise determines to use other rules and practices. The mediation shall be held in a mutually agreeable site and, unless otherwise agreed, the parties shall bear the cost of the mediation equally between them. Other than with respect to its occurrence or the failure to occur, the mediation shall be in all respects confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

If the parties are not able to resolve the Dispute through the mediation process described above within ninety (90) days of referring the matter to mediation, the Dispute shall be resolved through binding arbitration in accordance with the then current American Arbitration Association Commercial Rules for disputes. As determined by the mutual agreement of the parties, the Dispute shall be heard and determined by either: (a) an independent and impartial arbitrator jointly selected by the parties who is qualified by education, training, and experience to hear and determine matters in the nature of the Dispute; or (b) an arbitral panel consisting of three (3) arbitrators, each of whom shall be independent and impartial. In the event the parties mutually agree to have an arbitral panel, each party shall, within thirty (30) days after commencement of the arbitration, select one person to act as arbitrator. The two arbitrators so selected shall, within fifteen (15) days of their appointment, select a third arbitrator who shall serve as the chairperson of the arbitral panel. The arbitrators selected shall be qualified by education, training, and experience to hear and determine matters in the nature of the Dispute. If a party fails to appoint an arbitrator as provided herein, or if the arbitrators selected by the parties are unable or fail to agree upon a third arbitrator within twenty (20) days of their appointment, then that arbitrator shall be selected and appointed in accordance with the American Arbitration Association Commercial Rules. The arbitrator(s) shall be bound by and shall follow the then current ABA/American Arbitration Association Rules of Ethics for Arbitrators.

Any arbitration proceeding under this Agreement shall be conducted in Washington. The arbitrator(s) may construe or interpret but shall not vary or ignore the terms of this Agreement, and shall be bound
by controlling law. The arbitrator(s) shall have no authority to award punitive, exemplary, indirect or special damages, except in connection with a statutory claim that explicitly provides for such relief. The decision of the arbitrator(s) on the points in dispute will be binding, and judgment on the award may be entered in any court having jurisdiction thereof. The parties acknowledge that because this Agreement affects interstate commerce, the Federal Arbitration Act applies.

Unless otherwise agreed to by both parties, the parties expressly intend that any Dispute relating to the business relationship between them be resolved on an individual basis so that no other dispute with any third party(ies) may be consolidated or joined with the Dispute related to this Agreement. The parties agree that any arbitration ruling by an arbitrator allowing class action arbitration or requiring consolidated arbitration involving any third party(ies) would be contrary to their intent and would require immediate judicial review of such ruling.

In the event that any portion of this Section or any part of this Agreement is deemed to be unlawful, invalid or unenforceable, such unlawfulness, invalidity or unenforceability shall not serve to invalidate any other part of this Section or Agreement. In the event any court determines that this arbitration procedure is not binding or otherwise allows litigation involving a Dispute to proceed, the parties hereby waive any and all right to trial by jury in, or with respect to, such litigation. Such litigation would instead proceed with the judge as the finder of fact.

Unless the parties agree otherwise, the parties, the arbitrator(s), and the American Arbitration Association shall treat the dispute resolution proceedings provided for herein, any related disclosures, and the decisions of the arbitrator(s) as confidential, except in connection with judicial proceedings ancillary to the dispute resolution proceedings, such as a judicial challenge to, or enforcement of, the arbitral award, and unless otherwise required by law to protect a legal right of a party.

In the event a party wishes to terminate this Agreement based on an assertion of uncured material breach, and the other party disputes whether grounds for such a termination exist, the matter will be resolved in accordance with this Section. While the mediation or arbitration provided for hereunder remains pending, the termination for breach will not take effect.

This Section shall govern any Dispute between the parties arising before or after execution of this Agreement and shall survive any termination of this Agreement.

SECTION 11

11.6 Relationship of the Parties. The sole relationship of the parties is that of independent contractors and nothing in this Agreement or otherwise shall be deemed or construed to create any other relationship, including one of employment, joint venture, or agency.
