<b>Roadmap to 70% Recycling Rate</b>	<b>Presentation Discussion</b>											

## Summary of MSWMAC 2015 Work Plan Items and Meeting Detail

<b>70% Recycling Rates</b>	Discuss strategies for achieving a 70% recycling rate.
<b>Election of Chair and Vice Chair</b>	<p>In accordance with MSWMAC's adopted bylaws, the chair and vice chair are elected every February for a 1 year term. There is no limit on the number of terms the chair and vice chair may serve.</p> <p><b>Schedule:</b></p> <ul style="list-style-type: none"> <li>February: nomination and election of chair and vice chair</li> </ul>
<b>Sustainable Solid Waste Management Study</b>	<p>The Sustainable Solid Waste Management Study evaluated options in five areas:</p> <ol style="list-style-type: none"> <li>1. resource recovery at division facilities;</li> <li>2. construction and demolition debris;</li> <li>3. organics processing;</li> <li>4. disposal alternatives and technologies; and</li> <li>5. sustainable system financing: Scope in March</li> </ol> <p>The division will be scoping three projects as a result of this study:</p> <ul style="list-style-type: none"> <li>• Feasibility assessment of anaerobic digestion at division facilities</li> <li>• Solicitation of proposals to explore the private industry's interest and ideas for managing a portion of the waste stream using alternative technologies</li> <li>• Assessment of possible new fee structure which would consider what services would be funded by the new fee, how the fee would be structured and how the fee would be collected and how it would affect the tip fees</li> </ul> <p><b>Schedule:</b></p> <ul style="list-style-type: none"> <li>• TBD</li> </ul>
<b>Transfer Plan Report 2</b>	<p>A draft report on identification and analysis of demand management strategies that could be implemented in lieu of siting and building a new recycling and transfer station in northeast King County is due to council March 2015 and a final report is due June 2015.</p> <p><b>Schedule:</b></p> <ul style="list-style-type: none"> <li>• April: Discuss draft report</li> <li>• July: Discuss final report</li> <li>• August: Action on final report</li> </ul>
<b>Comprehensive Solid Waste Management Plan</b>	<p>Presentation and discussion of potential updates to the Draft 2013 Comp Plan</p> <p><b>Schedule:</b></p> <ul style="list-style-type: none"> <li>• Jan – December: Presentations and discussions</li> </ul>
<b>Construction and Demolition Debris</b>	<p>The division is preparing to implement new rules governing C&amp;D management in King County. In order to manage comingled (mixed) C&amp;D generated in King County, recycling facilities must enter an agreement with the division and adhere to disposal bans on readily recyclable materials. For this program to be fully successful, the division will be working with cities via the Green Building Program's regional code collaboration to support cities efforts in implementing complementary C&amp;D recycling requirements via their building permit departments.</p> <p><b>Schedule:</b> Jan and Feb: Project status updates will be provided</p>
<b>Product Families</b>	<p>Updates on the division's progress in development of the Waste Prevention, Resource Recovery, and Disposal product families</p> <p><b>Schedule:</b></p> <ul style="list-style-type: none"> <li>• Feb, May, Aug and Nov: Updates on the identification of strategies for achieving waste prevention, resource recovery and disposal goals.</li> </ul>

<b>Solid Waste Annual Report</b>	County code (KCC 10.14.080) requires the division submit an Annual report. <b>Schedule:</b> <ul style="list-style-type: none"> <li>• June: The Annual Report will be provided to members</li> </ul>
<b>South Recycling and Transfer Station</b>	Quarterly updates on the status of a new recycling and transfer station in south county
<b>Original and Amended and Restated Interlocal Agreements</b>	Review and status update of parties responsibilities under both the original Interlocal Agreements and the Amended and Restated Interlocal Agreements <b>Schedule:</b> <ul style="list-style-type: none"> <li>• March: The division will review parties’ responsibilities under the ILAs and provide a status update of its compliance with those responsibilities.</li> </ul>
<b>Amended and Restated Interlocal Agreements: Environmental Reserve Fund</b>	Pertaining to Section 8.6.c.i of the Amended and Restated Interlocal Agreement: <b>Schedule:</b> <ul style="list-style-type: none"> <li>• August: The division will provide an update on the Environmental Reserve Fund.</li> </ul>
<b>Cedar Hills Site Development Plan</b>	This project will evaluate and recommend alternative Cedar Hills Regional Landfill development options that would enable extension of the landfill’s life through at least 2040 to align with the term of the Amended And Restated Interlocal Agreements. The project includes an environmental review and public involvement process. An updated Site Development Plan and Supplemental Environmental Review Report is scheduled for completion by the end of 2015 <b>Schedule:</b> <ul style="list-style-type: none"> <li>• April: Status update</li> <li>• December: Presentation on development of alternatives and outcome of related environmental review</li> </ul>
<b>State Legislation</b>	Updates on proposed solid waste legislation, such as product stewardship bills. <b>Schedule:</b> <ul style="list-style-type: none"> <li>• January through May</li> </ul>
<b>2016 Priorities and Work Plan</b>	The division’s priorities for 2015 will help inform MSWMAC’s Work Plan for next year. <b>Schedule:</b> <ul style="list-style-type: none"> <li>• October: The division will present its priorities for 2015 and a draft Work Plan for the committee’s review and comment</li> </ul>
