

## Secure your load

### What is a secured load?

A secured load of solid waste has been securely fastened, covered, or both in a manner that will prevent the covering or any part of the load from becoming loose, detached or leaving the vehicle while the vehicle is moving except sand may be dropped for the purpose of securing traction.

At King County facilities, unsecured loads will be assessed a \$25 fee per *King County Code 10.12.040*.
