WASTE CLEARANCE APPLICATION FORM INSTRUCTIONS

Information on this form will be used to determine if the waste described may be handled, transported, and disposed in a safe and environmentally sound manner at a King County Solid Waste Division facility. If you have questions concerning this form, please contact the Waste Clearance Program (below).

Generator and Transport Information

- **Generator name and mailing address** – Enter the company name, mailing address, and who can answer questions about the waste. Indicate how you would like the waste clearance sent to you.
- **Location of waste** - Enter the physical address (not P.O. Box) of the building or structure where the waste is located. If the location of waste is the same as the mailing address, enter "Same".
- **Hauler name and contact** – Enter the name, contact, and phone number of the company or person that will be transporting the waste, if different from the Generator.

Waste Stream Information

- **Description of material** – Describe the waste and how it is packaged (if applicable). NOTE: A copy of the title or registration is required for boats, campers, travel trailers, or motorhomes.
- **Weight or volume of material** – Enter an estimate of the amount to be delivered and the anticipated frequency of delivery.
- **Certificate of Disposal** – King County staff cannot sign bills of lading. Only King County-issued Certificates will be provided.

Generator Certification - Signature of the generator or an authorized employee. Your typewritten name represents your signature.

NOTES:

Payment: Solid Waste disposal fees are payable at the time of disposal (cash, check, credit/debit using Visa/Mastercard). For information on establishing a Solid Waste charge account, call 206-477-5242 (bond payment required). We do not accept Comcheks or PayPal. We cannot accept payment over the phone. Disposal fees are listed at www.kingcounty.gov/disposal-fees.

Jurisdictions: Snohomish County, Pierce County, and Seattle (within city limits) accept waste generated within their jurisdictions. King County cannot accept waste generated or collected within these jurisdictions, unless King County has been provided and approved a written release for specific waste materials by these jurisdictions.

Asbestos: Puget Sound Clean Air Agency (www.pscleanair.org) is the regulating agency for asbestos. King County will issue a waste clearance for nonfriable asbestos and small amounts of friable asbestos (less than 48 square feet or 10 linear feet).

Waste Acceptance: For more information about the Waste Clearance Program, including a link to the King County Waste Acceptance Rule, visit www.kingcounty.gov/waste-clearance.
