

# Holiday Tree Recycling

December 2018

**Recycling your holiday tree is cheaper than disposing of it and better for the environment. Give your tree new life as wood chips or compost. No flocked or artificial trees. Remove all lights, garlands, tinsel, and ornaments.**

- **Curbside collection** – If you have curbside yard waste collection service, you may place your tree at the curb with your regular yard waste. Contact your recycling hauler for details and restrictions.
- **City events** – Some cities offer free tree recycling events for their residents. Contact your city for details.
- **King County recycling and transfer stations** – See below for information about tree recycling at King County facilities.
- **Private companies** – The companies listed below accept trees for recycling. Call ahead for updates and to confirm details.

## King County facilities

At the King County facilities below, holiday trees are accepted as yard waste and must be separated from garbage for recycling. At all other King County facilities, holiday trees are accepted as garbage at the garbage fee. Trees must be no more than 8 feet long.

**Yard waste recycling fee:** \$12 minimum; \$75 per ton

**Garbage fee through 2018:** \$24.25 minimum; \$144.34 per ton.

**Garbage fee starting Jan. 2019:** \$25.25 minimum; \$151.06 per ton.

Minimum fees cover up to 320 lbs.

*Starting Jan. 2019, King County's new Cleanup LIFT program offers a \$12 discount for residential customers enrolled in ProviderOne, EBT, or ORCA LIFT who haul their garbage, yard waste, clean wood, and refrigerant-type appliances to a King County facility. The discount is good for each type of waste per entry. Just show your card upon entry.*
