

Green Schools Program

TOLT MIDDLE SCHOOL

We pledge to work toward achieving the following conservation goals in 2003.

I. WASTE REDUCTION and RECYCLING

- Goals: (1) Increase recycling rate by 10 percent, from 30 to 40 percent.
 (2) Reduce garbage volume by 5 percent.

II. ENVIRONMENTAL PURCHASING

- Goals: (1) 15 percent of copy paper purchased will have recycled content.
 (2) 10 percent of cleaning products will be purchased from list of "less toxic products".

III. ENERGY CONSERVATION

- Goal: Reduce school energy consumption by 5 percent.

IV. REDUCTION of GREENHOUSE GAS EMISSIONS

- Goals: While on school grounds, reduce idling time of...
 (1) school buses by 20 percent; and (2) delivery vehicles by 40 percent.

V. ADDRESSING ENVIRONMENTAL ISSUES in the CLASSROOM

- Goals: (1) Two or more science teachers will participate in the King County "Hazards on the Home Front" workshop.
 (2) Include hazardous waste information in 6th and 8th grade curriculum and incorporate "Routes to the Environment" into 7th grade curriculum.

We the undersigned hereby pledge to actively and creatively support our school's efforts to achieve the goals listed above.
