

Kilo Middle School

School District: Federal Way

School Location: Auburn

Began participating in the Green Schools Program: September 2017

Level One of the Green Schools Program: Achieved in May 2018

Waste Reduction and Recycling (Level One)

- Kilo Middle School increased its recycling rate from 32 percent to 44 percent.
- In April 2016, the school announced it was aiming to become a Level One Green School and challenged all students to recycle correctly during Earth month.
- The school created a student Green Team led by custodian Ken Waterman, Dean Jerry Krueger, and Class Green Team leader Laura Kexel.
- The school used posters and announcements to introduce students and staff members to waste reduction and recycling practices.
- Kilo Middle School's Leadership classes created a short video explaining how to recycle in the school's cafeteria.

For more information about the school's conservation achievements and participation in the Green Schools Program, contact:
