

Woodmoor Elementary School

School District: Northshore School District

School Location: Bothell

Began participating in the Green Schools Program:
October 2016

Level One of the Green Schools Program:
Achieved in April 2017

Green Team students designed and delivered recycling presentations to over 900 students and staff.

Waste Reduction and Recycling (Level One)

- Woodmoor Elementary School increased its recycling rate by 15 percent to reach 39 percent.
- The school created a Green Team made up of fourth- through sixth-grade students.
- Sixth grade members presented a lesson about conservation at a staff meeting.
- Green Team members taught recycling lessons in each classroom.
- To reduce paper use, newsletters were sent via email instead of printing copies.
