Pipeline Installation and Driveway Impacts – 102nd Avenue SE **Bellevue Influent Trunk Project**

Driveway Impacts Coming

Today, crews are starting pipeline installation in the roadway north of the culvert (near Heritage Place Condominiums) and will continue to move northbound to SE 3rd Street. This construction will require work for extended periods in front of driveways. As provided for in the contract, **those with pipeline work occurring directly in front of their driveways (limiting access) will be provided 48 hours notice in advance of work.** The notice will be placed at the doorway of your residence and will include the dates of planned work. (Please note that this construction update is not the formal notice and a separate notice will be provided to you if you are going to be impacted.)

Access will be provided:

- At all times from 5:30 pm – 8:00 am
- For 15 minute increments **at** 10:00 am and 3:00 pm
- For a 30 minute increment **at** 12:00
- To emergency vehicles at all times

This work will cause delays during working hours. Residents who are affected may wish to alter schedules or parking arrangements to accommodate their access needs. We apologize for any inconvenience this may cause you.

What you can expect:

- Work hours will occur between 7 a.m. and 6 p.m. Monday to Friday, and 9 a.m. to 6 p.m. on Saturday if/when necessary.
- Additional noise and activity: work crews, heavy machinery, dust, trucks, and construction materials.
- Traffic control and flaggers onsite daily to manage traffic flow and local access.
- One way traffic maintained northbound on the west side of 102nd Avenue Southeast to Southeast Third Street. Intermittent full road closures may be required at limited times during the construction period.
- Temporary covers in the roadway after hours in work areas; please drive slowly and watch for signs and flaggers.
- Emergency vehicle access maintained at all times and coordination with other public services.
- **24-hour project information hotline, 206-296-4081**
