Negocie Revisiones - Kirkland Avda. (Manera de Kirkland a Sexto S.)

La Construcción de la alcantarilla requerirá cierre de camino a por el tráfico

This week, forcemain construction returns to Kirkland Avenue, starting near Kirkland Way and progressing near Sixth Street. In order to safely and efficiently complete this work, **Kirkland Avenue (between Kirkland Way and Sixth Street) will be closed to through traffic during working hours. Local and emergency access will be maintained.** Forcemain work in this area will last for approximately three weeks.

Kirkland Avenue from Kirkland Way to Sixth Street

- Road will be closed except for local access and emergency vehicles from 7 am – 4:30 pm.
- Parking will be restricted in the work area from 7 am – 6 pm.
- Signed detours and flaggers will assist drivers and pedestrians through the area.

What to expect

- Parking restrictions will be in place near the proposed work locations (24-hour advance notice).
- Road closure with local access only during working hours on Kirkland Avenue between Kirkland Way and Sixth Street.
- Properties on the north side of Kirkland Avenue should expect temporary access delays when work is occurring directly in front of driveways. The contractor will have steel plates available to place over construction and allow access.
- Notifications 48-hours in advance of work occurring directly in front of your location.
- Work hours Monday through Friday, from 7:00 a.m. until 4:30 p.m.
- Traffic control, including cones, signs and flaggers, will be used to manage traffic flow and local access.
- Noise and other activity typical of a construction site: work crews, dust, trucks, construction materials, heavy machinery, and excavation equipment.
- Excavation of an approximately seven-foot-deep trench in Kirkland Avenue to lay a new 16-inch pipe.
