South Magnolia CSO Control Project

COMMUNITY MEETING

June 13, 2012, 6–8 p.m.

Presentation at 6:15 p.m.

Discovery Park Environmental Learning Center
3801 Discovery Park Boulevard
Seattle, WA 98199

King County's project team invites you to hear a project update and learn about the design concept for the new Combined Sewer Overflow (CSO) control facility at the Port of Seattle's West Yard.

At this meeting we will:

- Provide a project update
- Present the design concept for the CSO control facility and get your feedback on landscape and architectural elements
- Talk about next steps
