Tiếng Việt

King County contractors are continuing construction on phase 2 of the Stuck River Trunk pipeline in Auburn. The new sewer pipe will provide sufficient capacity to meet Auburn's needs through 2050 and reduce the chance of sewer backups into homes and streets.

### UPCOMING WORK

#### Excavation at F Street Southeast intersection

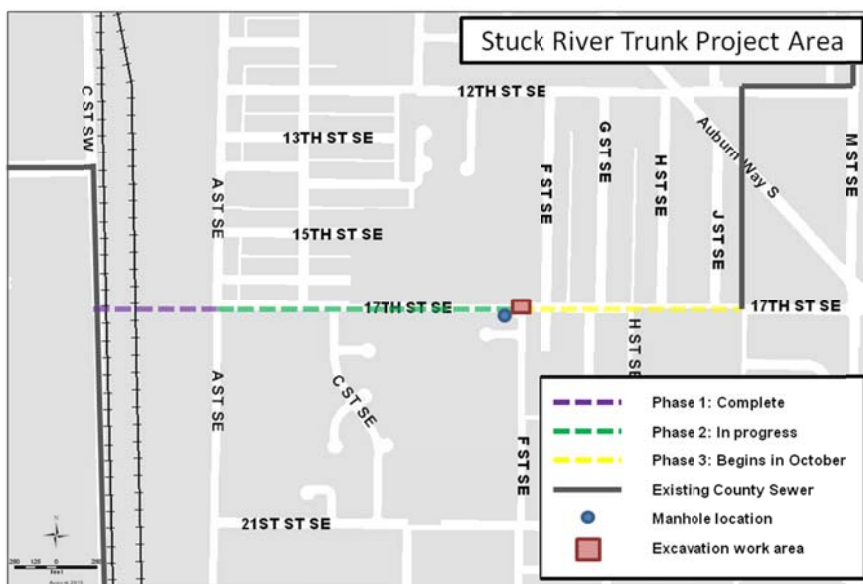

This week, crews are preparing for excavating across the intersection of 17th St. SE and F St. SE (see map). Excavation is planned to begin across the intersection next week and will be completed by October 11. **Commuters and neighbors can expect additional delays near the intersection during this time and should use an alternate route when possible.**

#### Weekend Work October 5-6

Crews will work this Saturday and Sunday, October 5 – 6 to line a manhole near the intersection of 17th St. SE and F St. SE (see map). Weekend work hours are 9 a.m. to 6 p.m. *This work is not planned to block access to or from F St. SE.*

### WHAT TO EXPECT DURING CONSTRUCTION:

- Work hours from 7 a.m. to 6 p.m. weekdays
- Weekend work October 5-6 from 9 a.m. to 6 p.m.
- Single lane closures in work areas during construction
- Parking and pedestrian restrictions
- Cones, signs and flaggers will be used to manage traffic flow and local access
- Extra travel time through work areas
- Noise and other activity typical of a construction site: work crews, dust, trucks, heavy machinery and excavating equipment

*Please use caution when traveling through work areas, follow posted traffic signs, cones and flaggers and plan for extra travel time when commuting. **Expect delays or use an alternate route when possible.***
