

Crews to relocate waterline on Southeast 264th Street and install new sewer manhole on 114th Avenue Southeast beginning May 6

King County contractors are continuing construction on the Kent East Hill Diversion pipeline. Beginning Monday, May 6, crews will relocate a waterline along the south side of Southeast 264th Street in preparation for installing the new 20-inch sewer pipe. This work is anticipated to last 2-3 days. *There will be some water restrictions during this time. Contact City of Kent Public Works at (253) 856-5500 for more information.*

Following the waterline work, crews plan to install a new sewer manhole on 114th Avenue Southeast just south of the intersection of Southeast 264th Street. This work is anticipated to last 2-3 days.

Expect lane restrictions and limitations to street parking in work areas along Southeast 264th Street and 114th Avenue Southeast. Please use caution in this area and follow posted traffic signs and flaggers.

WHAT TO EXPECT DURING THIS WORK:

- Work will occur from 7 a.m. to 6 p.m. weekdays
- Single lane closures in work areas during construction hours
- Parking and pedestrian restrictions
- Cones, signs and flaggers will be used to manage traffic flow and local access
- Extra travel time when driving through the work area
- Noise and other activity typical of a construction site: work crews, dust, trucks, heavy machinery and excavating equipment
