Crews to begin construction of the new 20-inch sewer pipe and install three new sewer manholes on and near 114th Avenue Southeast starting May 28

On Tuesday, May 28, crews will start construction of the new 20-inch sewer pipe that will run along Southeast 264th Street between the Kent Phoenix Academy and 114th Avenue Southeast. Beginning on 114th Avenue Southeast and working west, crews will start excavating a seventeen-foot-deep trench to install the new sewer pipe.

As part of the sewer pipe installation, crews will be installing three new sewer manholes on and near 114th Avenue Southeast just south of the intersection of Southeast 264th Street. Work on 114th Avenue Southeast is anticipated to last through Friday. Work on Southeast 264th Street will last through the summer.

Expect lane restrictions and limitations to parking in work areas along Southeast 264th Street and 114th Avenue Southeast. Please use caution in this area and follow posted traffic signs and flaggers.

WHAT TO EXPECT DURING CONSTRUCTION:

- Work will occur from 7 a.m. to 6 p.m. weekdays
- Single lane closures in work areas during construction
- Parking and pedestrian restrictions
- Cones, signs and flaggers will be used to manage traffic flow and local access
- Extra travel time when driving through the work area
- Noise and other activity typical of a construction site: work crews, dust, trucks, heavy machinery and excavating equipment
