

Lake Hills and NW Lake Sammamish Sewer Upgrade Project

August 14, 2018

Please join us on Tuesday, August 28, for a neighborhood “walk and talk” on 177th Ave NE

Please join King County Wastewater Treatment Division on Tuesday, August 28 from 5:30 – 6:30 p.m. for a “walk and talk” on 177th Ave NE.

Project staff will walk the route for the Lake Hills and NW Lake Sammamish Sewer Upgrade Project with neighbors. See *map on the back side of this page.*

During the walk, the team will share the detailed route for the sewer upgrade, discuss what to expect during construction and answer questions.

King County staff hold neighborhood “walk and talks” to help residents understand how projects will affect their street.

We’ll walk rain or shine, so please dress for the weather and wear sturdy shoes for walking.

To request special accommodations, please contact Kelly Foley, kelly.foley@kingcounty.gov or 206-477-8621.
