

NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

90th Place Southeast pre-construction StoryMap -What you need to know as construction gets started

Thank you for signing up for email updates about construction near 90th Place Southeast!

Scroll through our online [90th Place Southeast StoryMap](#), which features important information for the neighborhood, including

- What we are building.
- What to expect.
- Schedule and duration.
- What you'll see when the work is done.
- How to reach us.

Visit our [project-wide online StoryMap](#) for more information about what's happening at other locations across the project corridor.

Flyer boxes on I-90 Trail and in Mercer Island parks

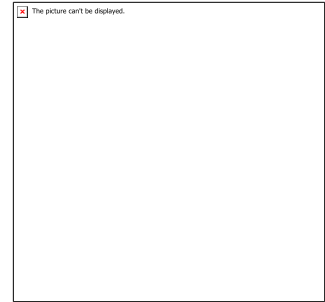

We have placed flyer boxes around Mercer Island and along the I-90 trail. We will place project updates, newsletters, and other notices in the boxes as construction activities progress. Stop by one of the flyer boxes at Shorewood Drive and the I-90 Trail to pick up a copy of our [March newsletter](#)!

Sign up to learn about construction in additional project areas:
