UPCOMING WATER SERVICE INTERRUPTIONS ON 90TH PL SE

On Tuesday, February 28 and Wednesday, March 1, some homes on 90th Pl SE may be subject to a water service interruption. This will allow crews to connect the water service line to the newly constructed water main on 90th Pl SE. During water shutoffs, your water service will be unavailable between 7 a.m. to 5 p.m. for 10 hours. If your home is affected, the contractor will provide a door hanger 48 hours prior to the scheduled shutoff. Additionally, the contractor will attempt to notify you in person on the day of the outage. **We will not access private property during this work unless we have a signed agreement to do so.**

For questions or more information, please contact the Community Relations Team using our 24-hour construction hotline: 425-305-3578 or email us at NMEsewer@kingcounty.gov.

What to expect

- All work will be performed in the public right of way.
- Depending on the location of your water line, we may need to temporarily block your driveway.
