February 16, 2018

Please join us on Saturday, March 3 for a “walk and talk” along 78th Ave SE

Please join King County Wastewater Treatment Division on Saturday, March 3 at 11 a.m. for a ‘walk and talk’ along 78th Avenue SE. Project staff will walk the route for the North Mercer Island/Enatai Sewer Upgrade Project with neighbors.

During the walk, the team will share the detailed route for the sewer upgrade and answer questions.

We’ll walk rain or shine, so please dress for the weather and wear sturdy shoes for walking.

To request special accommodations, please contact Kristine Cramer, kristine.cramer@kingcounty.gov or 206-477-5415.
