

Sunset and Heathfield Pump Stations and Force Main Upgrade

Construction Update: Single-lane closures resume to continue restoration activities

As weather permits, a King County contractor will resume single-lane closures on SE 35th PI between 7:00 a.m. and 4:00 p.m. to continue landscape restoration between SE Eastgate Way and 164th PI SE. The closures are currently scheduled to begin the week of June 8. Crews will then continue landscape restoration on 164th PI SE, weather permitting. They will close single lanes intermittently for the work on 164th PL SE.

What to expect:

- Work will occur on weekdays over the course of two to three weeks – the duration and schedule will vary based on weather conditions.
- During restoration on SE 35th PI, the contractor will need to close one lane between 7:00 a.m. and 4:00 p.m. to allow crews to work safely.
- There are currently no planned weekend closures for this work.

Thank you for your patience while crews complete this restoration work.
