Sunset and Heathfield Pump Stations and Force Main Upgrade

August 17, 2020

Construction Update: *Restoration along SE 35th St and at the Sunset Pump Station*

King County's contractor continues intermittent single-lane closures for landscape restoration on SE 35th Pl. When restoration is complete on SE 35th Pl, the contractor plans to begin landscape restoration and installation of the ornamental fence at the Sunset Pump Station.

King County's contractor also plans to begin intermittent single-lane closures of W Lake Sammamish Pkwy on Thursday, August 20 through the week of August 24 between 8 a.m. and 4 p.m for equipment delivery.

There are currently no weekend closures planned for this work.

Thank you for your patience while the contractor completes this restoration work.
