

 King County **North Creek Interceptor Sewer Project**

June 17, 2016

**Construction update: Canyon Park Business Center  
Next week - Temporary Closure of the North Creek Trail**

Beginning around Tuesday, June 21, the North Creek Trail will be closed for 2-3 days.

- The closure will be located about 1,300 south of 220<sup>th</sup> Street SE.
- Closing the trail is needed to install a new side sewer connection at 22310 20th Avenue SE
- Trail signs will be posted prior to the closure at five locations along the trail; this will allow trail users to find alternate ways of getting to and from their destinations.
- The signs will be taken down as soon as the trail is reopened.
