Construction update:

Final Paving in Canyon Park Business Center

214th Street SE and 20th Avenue SE – Week of March 26

Pac Med Parking Lot - March 15-16

King County is nearing completion of construction on the North Creek Interceptor, a major sewer line serving portions of Bothell, Mill Creek, and unincorporated Snohomish County. Project improvements will provide added capacity and ensure reliable operations for the future.

During the week of March 26, King County's contractor will complete final paving in the business park, from 214th and the Bothell Everett Highway (SR 527), and along 20th Ave. SE to just north of 220th Street SE.

Traffic will be reduced to one lane in each direction along 220th St. SE and 20th Ave. SE. Flaggers and signs will direct motorists on both sides of the meridian. At times traffic will be delayed for short periods as large equipment is moved.

March 15-16 early in the morning, crews will pave portions of the Pacific Medical Center parking lot.

What to expect during this work

- Work hours are 9:00 a.m. to 3:00 p.m. weekdays for paving on 214th St. SE and 20th Ave. SE.
- Work hours are from 7:00 a.m. to 8:30 a.m. weekday mornings at the Pac Med lot.
- You may experience some traffic delays during this work.
- Consider alternate routes including 29th Drive SE and 220th Street SE to access the business park.

Stay informed

- Learn about the project and sign up for email updates at KingCounty.gov/NCI.
