Filing to be a PCO candidate

How to file to become a precinct committee officer candidate.

chapter 01

Becoming a candidate for precinct committee officer (PCO)

To become a candidate for precinct committee officer (PCO), you must complete and file a Declaration of Candidacy for Precinct Committee Officer. At the time of filing, you must be registered to vote in the precinct for which you are filing and be at least 18 years old by the date of the Primary election. You may only file as a Democratic Party PCO or a Republican Party PCO.

New legislation pertaining to PCO candidates went into effect in 2022 to enhance youth voting opportunities. Now a 17 year old who will turn 18 by or before the August Primary can file to run for Precinct Committee Officer. The candidate must be a registered voter in the precinct and be at least 18 years old by August 2, 2022.

Contact our office if you have any questions about your voter registration or precinct information.

When to file

The candidate filing period begins the Monday two weeks prior to Memorial Day and ends the following Friday.

All Declarations of Candidacy for PCO must be received before the close of business on the last day of the filing period. Declarations of Candidacy for PCO received after this date, regardless of the postmark, will not be accepted.

Online candidate filing starts at 9 a.m. on the first day of filing and is available until 4 p.m. on the last day of filing. Mailed Declarations of Candidacy for PCO may be submitted up to ten business days before the filing period begins. Filings received prior to this date will be returned to the candidate.

Where to file

Candidates for precincts within King County must file with King County Elections. In an effort to slow the spread of COVID-19, King County Elections strongly encourages candidates to file online. For assistance, please call 206-296-1565.

Cost to file

There is no filing fee.

 **Filing deadlines**

- Mail
May 2 - May 20, 4:30 p.m., regardless of postmark
- In-person
May 16, 8:30 a.m. - May 20, 4:30 p.m.
- Online
May 16, 9:00 a.m. - May 20, 4:00 p.m.

Getting ready to file

Before you file, you will need to:

- Verify that your voter registration information is current. You can verify your voter registration information online with [My Voter Information](#) on our website. Please note, redistricting has caused precincts to change. Please check your precinct with [My Voter Information](#) after March 24 to find your current precinct.
- Decide how you want your name to appear on the ballot.
- Have your contact information ready.

Your name on the ballot

When filing, you must input your name exactly as you wish it to appear on the ballot. You may use a nickname by which you are commonly known as your first name, but your last name must be the name under which you are registered to vote. For example, if you are registered to vote as William Smith but are commonly known as Bill, you may use Bill Smith for your ballot name.

You may not use a nickname that denotes present or past occupation or military rank, use a nickname that denotes your position on issues or political affiliation, or use a nickname designed to intentionally mislead voters.

Make sure you input your ballot name correctly; you cannot make any corrections once you submit your Declaration of Candidacy for PCO.

How to file your Declaration of Candidacy for PCO

As a best practice, King County Elections recommends that you submit your Declaration of Candidacy for PCO as early as possible during filing week. Our office will not accept late submissions.

Online filing is the preferred way to file for office. Online candidate filing opens on Monday, May 16, 2022, at 9:00 a.m. and is available 24 hours a day until Friday, May 20, 2022, at 4:00 p.m.

Candidates who file online will receive a confirmation email that their filing has been received and another email when their filing has been approved.

King County Elections has prepared a training video to guide candidates through preparing to file online. View the training by clicking on the image to the right or visit our [website](#).

Click on the image above will link to a brief tutorial on how to file for office online. The tutorial will be available by April 1, 2022.

If you will be out of town and will not have computer access during the week of candidate filing, you may submit your Declaration of Candidacy for PCO by mail beginning on May 2, 2022. Filings submitted by mail must be received by 4:30 p.m. on May 20, 2022, regardless of postmark. Filings received by mail prior to May 2, 2022, will be returned to the candidate. You can also email a photo or scanned copy of your completed form to election.services@kingcounty.gov.

Once filed, a Declaration of Candidacy for PCO may not be altered. If you decide during the filing period to change the Declaration of Candidacy for PCO, you must first withdraw and then re-file by the deadline.

Deadline to withdraw candidacy
May 23, 2022 at 4:30 p.m.

Withdrawal of candidacy

The deadline for withdrawing from office is the Monday following filing week.

To withdraw, you must submit a signed request that your name be removed from the ballot. A Withdrawal of Candidacy form is available on our [website](#). The form is also available via a link in the confirmation email sent to candidates who filed online.

Ballot Information

Information about when candidates for PCO will appear on the ballot and the order in which candidates and measures appear on the ballot.

chapter 02

Will my name appear on the ballot?

Only contested races appear on the ballot. For example, if two candidates file for a Democratic Party position, but only one candidate files for the Republican Party position, only the Democratic PCO race will appear on the ballot. If, after the last day to withdraw, only one candidate has filed for a party position, that candidate is deemed elected and King County Elections will issue a certification of election. Certificates of election are provided to either the Democratic Party or Republican Party, they are not provided directly to the candidate. King County Elections will notify each candidate if they will or will not be appearing on the ballot by Tuesday, May 24, 2022.

Ballot information

PCO races only appear on even-year primary election ballots. PCO races appear at the end of the ballot. If both party positions qualify to appear on the ballot, the order is determined by the statewide results of the last presidential election.

Candidate order within each party is determined by lot. After the close of the candidate filing period, King County Elections will conduct a lot draw to determine the order in which candidate names will appear on the primary election ballot. The King County Elections lot draw will be live streamed so all candidates can observe the lot draw process.

A candidate's declared party abbreviation will be printed next to each candidate's name. Also, below each candidate, the following statement will be printed, as required by law, "I affirm I am a Democrat" if the candidate is a Democrat or "I affirm I am a Republican" if the candidate is a Republican.

A write-in line is not printed on the ballot for PCO races as there are no write-in candidates permitted.

For this office only: In order to vote for precinct committee officer, a partisan office, you must affirm that you are a Democrat or a Republican and may vote only for one candidate from the party you select. Your vote for a candidate affirms your affiliation with the same party as the candidate. This preference is private and will not be matched to your name or shared.

Counting the Votes

Information about counting votes cast for PCO races and issuing certificates of election.

chapter 03

Counting the votes

Voters may only cast a vote for one PCO candidate. If votes are cast for more than one candidate, the race is overvoted and neither vote counts. There is no minimum requirement for the number of votes cast for a candidate to be elected. Contested PCO races are subject to recount laws. The candidate receiving the most votes in the primary is elected. PCO races do not appear on the general election ballot.

Certifying the election

Results for PCO races certify at the same time as other offices, fourteen days following the date of the primary election. Certificates of election are provided to either the Democratic Party or Republican Party, they are not provided directly to the candidate.
