FIRE PROTECTION DISTRICT NO. 45  
KING COUNTY, WASHINGTON

RESOLUTION NO. 446

A RESOLUTION of the Board of Fire Commissioners of Fire Protection District No. 45, King County, Washington, providing for the submission to the voters of the District at a special election to be held on April 24, 2018, of a proposition authorizing the District to issue general obligation bonds in the principal amount of no more than \$7,500,000, for the purpose of paying costs of constructing and equipping a new fire station on property owned by the District, renovating and repairing one or more of the District's other fire stations, and making other capital improvements, the principal of and interest on such bonds to be payable from annual excess property tax levies; designating the Fire Chief of the District and bond counsel to receive notice of the ballot title from the Director of Records and Elections of King County; requesting and authorizing participation in Local Voters' Pamphlet; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF FIRE COMMISSIONERS OF FIRE PROTECTION DISTRICT NO. 45, KING COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Fire Commissioners (the "Board") of Fire Protection District No. 45, King County, Washington (the "District"), takes note of the following facts and hereby makes the following findings and determinations:

(a) The need to improve protection of public health, life and property require that the District construct and equip a new fire station on property owned by the District, renovate and repair one or more of the District's other fire stations, and make other capital improvements, all as more particularly defined and described in Section 2 herein (collectively, the "Projects").

(b) The District lacks sufficient money with which to pay costs of the Projects.

(c) To pay costs of the Projects, it is necessary and advisable that the District issue and sell unlimited tax general obligation bonds in the principal amount of no more than \$7,500,000 (the "Bonds"), or such lesser maximum amount as may be legally issued under the laws governing the limitation of indebtedness or required to carry out and accomplish the Projects.

(d) The District is authorized pursuant to Article VII, Section 2(b) of the Washington Constitution and laws of the State of Washington, including, but not limited to, Revised Code of Washington ("RCW") 52.16.080, RCW 39.36.050 and RCW 84.52.056, to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

(e) The best interests of the District and its residents require the District to carry out and accomplish the Projects as hereinafter provided.

Section 2. Description of the Projects. The Projects to be paid for with proceeds of the Bonds, including interest earnings thereon ("Bond Proceeds"), are more particularly defined and described as follows:

(a) Construct and equip a new fire station on property owned by the District, renovate and repair one or more of the District's other fire stations, and make other capital improvements, all as deemed necessary and advisable by the Board.

(b) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as deemed necessary and advisable by the Board.

(c) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects described above pursuant to RCW 52.16.080 and RCW 39.46.070. Such incidental costs shall be deemed part of the Projects and shall include, but not be limited to: (1) costs related to the issuance, sale and delivery of the Bonds; (2) payments for fiscal and legal expenses; (3) costs of obtaining ratings and bond insurance; (4) costs of printing, advertising, establishing and funding accounts; (5) payment of interest due on the Bonds for up to six months after completion of construction; (6) necessary and related engineering, architectural, planning, consulting, inspection, permitting and testing costs; (7) administrative and relocation expenses; (8) site acquisition and improvement costs; (9) demolition costs; (10) costs related to demolition and/or deconstruction of existing facilities to recycle, reclaim and repurpose such facilities and/or building materials; (11) costs of on-site and off-site utilities and road improvements; and (12) costs of other similar activities or purposes, all as deemed necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available Bond Proceeds, together with any other money of the District legally available therefor, and in such order of time as shall be deemed necessary and advisable by the Board. Subject to Section 6 of this resolution, the Board shall allocate the Bond Proceeds, together with any other money of the District legally available therefor, between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Director of Records and Elections of King County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the District, in the manner provided by law, to be held therein on April 24, 2018, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

If the proposition is approved by the requisite number of voters, the District will be authorized to issue, sell and deliver the Bonds in the manner described in this resolution, spend the Bond Proceeds to pay costs of the Projects, and levy annual excess property taxes to pay and retire the Bonds. The Bond Proceeds shall be used, either with or without additional money now available or hereafter available to the District, for capital purposes only, as permitted by law, which shall not include the replacement of equipment.

Section 4. Authorization to Issue the Bonds. The Bonds authorized may be issued as a single bond, as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, all as deemed necessary and advisable by the Board and as permitted by law. Further, the Bonds may be issued, as deemed necessary or advisable by the Board, as taxable bonds, tax-exempt bonds and/or any other type of bonds that are now or in the future may be authorized under applicable state and federal law.

Each series of the Bonds shall be issued as fully registered bonds; shall bear interest payable as permitted by law; shall mature within 20 years from the date of issuance of such series of the Bonds (but may mature at an earlier date or dates as fixed by the Board); shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount but only in amounts sufficient to meet such payments of principal and interest as they come due; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which each series of the Bonds are to be issued, all as deemed necessary and advisable by the Board and as permitted by law. The life of the Projects to be financed with the Bond Proceeds shall exceed the term of the respective series of Bonds that finance the Projects. Pending the issuance of the Bonds, the District may issue short-term obligations pursuant to chapter 39.50 RCW to pay for any portion of the costs of the Projects. Such obligations may be paid or refunded with Bond Proceeds.

The Board hereby authorizes and directs the Fire Chief of the District (the "Fire Chief") to determine for each series of Bonds whether such series should be sold by private placement, or negotiated or competitive sale, and with respect to such series of Bonds that are to be sold by competitive sale, to: (a) specify a date and time of sale of such Bonds; (b) give notice of that sale; (c) determine any bid requirements and criteria for determining the award of the bid; (d) provide for the use of an electronic bidding mechanism if the Fire Chief deems electronic bidding to be beneficial to the District; and (e) specify other matters in his or her determination necessary, appropriate or desirable to carry out the sale of the Bonds. Notwithstanding the foregoing, the amount, date, denominations, interest rates, payment dates, final maturity, redemption rights, price, and other terms and conditions of the Bonds (or parameters with respect thereto) shall be hereafter fixed by one or more resolutions of the Board authorizing the issuance, sale and delivery such series of Bonds, which resolutions may delegate to a District officer or employee the authority to fix any of the foregoing, all as deemed necessary and advisable by the Board and as permitted by law.

If the District receives voter approval to issue the Bonds in the manner described in this resolution, the Board authorizes and directs the Fire Chief to: (a) review and "deem final" (within the meaning of Rule 15c2-12 of the Securities and Exchange Commission), if necessary and upon such official's satisfaction, any preliminary official statement prepared in connection with the sale of each series of the Bonds by the District; (b) authorize the "deemed final" preliminary official statement to be distributed prior to the date any underwriter or purchaser bids for, purchases, offers or sells each series of the Bonds; and (c) acknowledge in writing any action taken pursuant to clauses (a) and (b) of this paragraph.

Section 5. Intent to Reimburse. The Board declares that to the extent, prior to the date the Bonds, or other bonds or obligations (which includes the Bonds, or other bonds or obligations issued as tax-exempt bonds) are issued to pay costs of the Projects, the District makes capital expenditures for the Projects from money that is not (and is not reasonably expected to be) reserved, allocated on a

long-term basis or otherwise set aside by the District under its existing and reasonably foreseeable budgetary and financial circumstances to pay costs of the Projects, those capital expenditures are intended to be reimbursed out of the Bond Proceeds, or proceeds of other bonds or obligations, issued in an amount not to exceed the principal amount of the Bonds provided by this resolution.

Section 6. Sufficiency of Bond Proceeds. If Bond Proceeds are more than sufficient to carry out and accomplish the Projects (the "Excess Bond Proceeds"), the District may use the Excess Bond Proceeds to: (a) acquire, construct, remodel, renovate, install, equip, furnish and make other capital improvements to District facilities; and/or (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as deemed necessary or advisable by the Board and as permitted by law. In the event that the Bond Proceeds, together with any other money of the District legally available therefor, are insufficient to carry out and accomplish all of the Projects, the District shall use the Bond Proceeds and other available money for paying the cost of that portion of the Projects that is deemed by the Board most necessary and in the best interest of the District.

Section 7. Alteration of Expenditures. If the Board shall subsequently determine that state or local circumstances, including, but not limited to, changed conditions or needs, regulatory considerations or incompatible development, should cause any alteration to the Projects, the District shall not be required to accomplish all of the Projects and may apply the Bond Proceeds (or any portion thereof) to: (a) other portions of the Projects, (b) acquire, construct, install equip and make other capital improvements to other District facilities and/or (c) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as deemed necessary or advisable by the Board.

Section 8. Form of Ballot Title. Pursuant to RCW 29A.36.071, the King County Prosecuting Attorney is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
