

ORDINANCE NO. 866

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON, PROVIDING FOR THE FORM OF THE BALLOT PROPOSITION AND SPECIFYING CERTAIN OTHER DETAILS CONCERNING SUBMISSION TO THE QUALIFIED ELECTORS OF THE CITY AT A SPECIAL ELECTION TO BE HELD THEREIN ON NOVEMBER 5, 2019, OF A PROPOSITION FOR THE ISSUANCE OF ITS GENERAL OBLIGATION BONDS IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED \$103,600,000, OR SO MUCH THEREOF AS MAY BE ISSUED UNDER THE LAWS GOVERNING THE INDEBTEDNESS OF CITIES FOR THE PURPOSE OF PROVIDING FUNDS TO FINANCE AND REFINANCE THE CITY'S PARKS, RECREATION AND OPEN SPACE PLAN, AND LEVY EXCESS PROPERTY TAXES TO PAY THE BONDS.

WHEREAS, on July 31, 2017, following an 18-month community outreach engagement process, the Shoreline City Council (the "Council") unanimously passed Resolution No. 412, adopting the 2017-2023 Parks, Recreation & Open Space Plan (the "PROS Plan"); as it may be amended from time to time; and

WHEREAS, the PROS Plan identifies a 20-year vision and framework for the City of Shoreline's (the "City") recreation and cultural programs, and for maintenance and investment in park, recreation and open space facilities; and

WHEREAS, Strategic Action Initiative #1 in the PROS Plan established a goal to build a new Shoreline aquatic, recreation and community center ("ShARCC") with an objective to "place a proposal for a new community/aquatics center before the voters by 2020 and open a new facility in 2022"; and

WHEREAS, since the adoption of the PROS Plan, City staff has been developing concept plans and cost estimates for a new ShARCC; and

WHEREAS, in order to pay the costs of financing and refinancing the PROS Plan, including the acquisition of real property, it is deemed necessary and advisable by the Council that the City issue and sell one or more series of its unlimited tax general obligation bonds in the principal amount of not to exceed \$103,600,000 (the "Bonds"); and

WHEREAS, the Constitution and laws of the State of Washington provide that the question of whether such Bonds may be issued and sold for such purposes and taxes levied to pay such Bonds must be submitted to the qualified electors of the City for their ratification or rejection;

THEREFORE, THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON DO ORDAIN AS FOLLOWS:

**Section 1. Findings.** The Council hereby finds that the best interests of the residents of the City require the City to construct, develop, equip, upgrade, acquire, and improve the parks and recreation facilities as described in the PROS Plan, as it may be amended from time to time (the

“Projects”), including the construction of park amenities, playgrounds, splash-pads and/or trails at Brugger’s Bog, Hillwood, Richmond Highlands, and Briarcrest Community (Hamlin) parks and an aquatics, recreation and community center with approximately 75,000 square feet of fitness, aquatic and community gathering areas such as:

- Space for classes, informal gatherings and rentals;
- 6,000 square feet of space prioritized for senior programs, including a commercial kitchen;
- Gymnasium and indoor walking/jogging track;
- Exercise/weight rooms;
- Leisure/Activity pool with play features;
- Separate eight-lane lap pool for recreational and competitive swimming and diving; swim lessons; and shallow and deep-water exercise classes;
- ADA accessible pool viewing area for 500 spectators;
- Adjacent park, open space and outdoor play/gathering areas to complement the activities contemplated in the building.

The Projects shall include the acquisition of real property as necessary to locate such facilities. The City shall complete the Projects at the time, in the order and in the manner deemed most necessary and advisable by the Council. Costs of the Projects, which are estimated to be more than \$103,600,000, will be paid from proceeds of the Bonds (as defined in Section 2) authorized herein and other available funds of the City.

The cost of all necessary appraisals, negotiation, property acquisition, closing, architectural, engineering, project management, financial, legal and other consulting services, inspection and testing, demolition, administrative and relocation expenses, permitting, mitigation, construction, and other costs incurred in connection with the foregoing capital improvements shall be deemed a part of the capital costs of such Projects. Such Projects shall be complete with all necessary real property, equipment and appurtenances.

The Council shall determine the exact specifications for the Projects, and the components thereof, as well as the timing, order and manner of completing the components of the Projects. The Council may alter, make substitutions to, and amend such components as it determines are in the best interests of the City and consistent with the general descriptions provided herein. The Council shall determine the application of moneys available for the various Projects so as to accomplish, as nearly as may be, all of the Projects.

If the Council shall determine that it has become impractical to design, construct, improve, obtain permits, renovate, acquire, develop, or equip all or any component of the Projects by reason of changed conditions, incompatible development, costs substantially in excess of the amount of Bond proceeds or tax levies estimated to be available, or acquisition by or dependence on a superior governmental authority, the City shall not be required to provide such component or components. If all of the Projects have been constructed or acquired or duly provided for, or found to be impractical, the City may apply remaining proceeds of the Bonds authorized herein

(including earnings thereon) or any portion thereof to other park, recreation and open space capital purposes or to the redemption of the Bonds as the Council, in its discretion, shall determine.

In the event that the proceeds from the sale of the Bonds, plus any other money of the City legally available for such purpose, are insufficient to accomplish all of the Projects, the City shall use the available funds for paying the cost of those portions of the Projects deemed by the Council most necessary and in the best interest of the City.

**Section 2. Authorization of Bonds.** For the purpose of providing all or a portion of the funds necessary to finance and/or refinance debt previously issued by the City to finance the costs of the Projects, together with incidental costs and costs of issuance of the Bonds, the City shall issue and sell its unlimited tax general obligation bonds in the aggregate principal amount of not to exceed \$103,600,000 (the "Bonds"). The Bonds shall be issued in an amount not exceeding the amount approved by the electors of the City and not exceeding the amount permitted by the Constitution and laws of the State of Washington. The balance, if any, of the cost of the Projects shall be paid out of any other legally available funds. The Bond proceeds (and earnings thereon) shall be used to finance and refinance the costs of the Projects, together with incidental costs and costs related to the sale and issuance of the Bonds, and shall not be used for the replacement of equipment or for a purpose other than a capital purpose.

**Section 3. Details of the Bonds.** The Bonds provided for in Section 2 hereof shall be issued in such amounts and at such time or times as deemed necessary and advisable by the Council and as permitted by law. The Bonds may be issued in one or more series and shall bear interest payable at a rate or rates authorized by the Council. The Bonds shall mature in such amounts and at such times within a maximum term of 20 years from date of issue of a series, all as authorized by the Council and as provided by law. The Bonds shall be unlimited tax general obligations of the City and, unless paid from other sources, both principal of and interest on the Bonds shall be payable out of annual tax levies to be made upon all the taxable property within the City without limitation as to rate or amount and in excess of any constitutional or statutory tax limitations. The exact date, form, terms, maturities, covenants and manner of sale of the Bonds shall be as hereafter fixed by ordinance or ordinances of the Council.

In anticipation of the issuance of the Bonds, the City may issue short-term obligations as authorized by Ordinance No. 829 adopted by the Council on August 8, 2018, as may be amended, and as otherwise authorized by chapter 39.50 RCW. Such obligations may be paid or refunded with proceeds of the Bonds. The proceeds of the Bonds may also be used to reimburse the City for expenditures previously made for such Projects.

**Section 4. Bond Election.** It is hereby found that the best interests of the inhabitants of the City require the submission to the qualified electors of the City of a proposition authorizing the City to issue Bonds for the purposes of funding the Projects, at an election to be held on November 5, 2019. The City Council has determined that the excess levy would be eligible for exemptions and deferrals as allowed under RCW 84.36.381. The King County Director of Records and Elections, as *ex officio* supervisor of elections in King County, Washington, is hereby requested to assume jurisdiction of and to call and conduct the election to be held within the City and to submit to the qualified electors of the City the proposition hereinafter set forth. Such election shall be conducted by mail.

The City Clerk is hereby authorized and directed to certify the proposition to the King County Director of Records and Elections (the "Director") in substantially the following form:
